II. ENROLLMENT INFORMATION

ENROLLMENT IS A 4-STEP PROCESS

To be enrolled at Memphis State University, a student must complete a 4-step process:

1. Admission or Readmission
2. Academic Advising
3. Registration
4. Fee Payment

All steps must be completed in the proper sequence to complete the enrollment process. The details of each step follow.

1. Admission or Readmission

All requirements for admission to the University must be completed before any registration is authorized. Students who complete this process prior to December 29, 1992, will be mailed a registration permit. Early processing will provide the student better options for registration times.

Continuing Students: Students enrolled during the Fall 1992 semester who do not have any registration holds (see Registration Holds) will be mailed Registration Permits for Spring 1993.

New Students: New students must submit a \$5.00 application fee and application form to the Admissions Office. Students who apply for admission after December 1 will not be assured of registration before the first day of classes. Applications for admission and information concerning procedures and regulations may be obtained from the following Admissions Offices:

Freshman Admissions	Room 215 Admin. Bldg.	678-2101
Transfer Admissions	Room 215 Admin. Bldg.	678-2111
Graduate Admissions	Room 216 Admin. Bldg.	678-2911
International Admissions	Room 216 Admin. Bldg.	678-2911

MSU Students Who Were Not Enrolled Fall 1992: Students who were previously enrolled at MSU but not during Fall 1992 must submit a readmission application. Former undergraduate students wishing to take graduate courses for the first time must be properly admitted to the Graduate School as new students. Applications and information concerning readmission may be obtained from:

Readmissions Office	Room 167 Admin. Bldg.	678-2674
---------------------	-----------------------	----------

Residency Classification: For information concerning Tennessee Board of Regents guidelines and regulations for classification of in-state (resident) or out-of-state students for fee-paying purposes, direct all questions to:

Admissions Office	Room 205 Admin. Bldg.	678-2344
-------------------	-----------------------	----------

2. Academic Advising

All students at MSU must obtain a Section Request Form from the appropriate advising location prior to registration. Students should contact one of the areas listed below for advising dates, times, and locations.

Students with declared major (graduate or undergraduate): contact the academic advisor in the department of their major.

Undecided, Unclassified, Audit, or Special Undergraduate (except those seeking some aspect of teacher licensure): contact the Academic Counseling Unit, Scates Hall, Room 107, 678-2062.

Evening and/or Weekend Only Students Enrolling in Lower Division Classes: contact Evening Academic Services, Admin. Bldg., Room 167 (12 noon-8:00pm, Monday-Thursday and 8:30am-12 noon on Saturday), 678-2393.

Graduate Non-Degree Students: contact the advising office locations for the college in which coursework will be taken. Call the Graduate School for additional information, 678-2531.

Off-Campus and Jackson Center Students: contact the MSU Office on the Jackson State Community College campus, (901) 427-4725 or 678-5087.

Advising Guidelines

1. See advisor early.
2. Refer to your degree posting sheet and know what you need to take.
3. Plan coursework semester by semester; try to complete lower division courses (1000-2000) before taking upper division courses (3000-4000).
4. Complete your trial schedule plan selecting several alternate sections or courses.
5. Take advantage of your earliest registration appointment time.
6. Check your catalog to ensure that you have completed prerequisites.
7. Update your degree posting sheet at the end of each term.
8. Read your catalog and keep a copy with your degree posting sheet. The student is ultimately responsible for completing the appropriate requirements for the degree program.

3. Registration

MATERIALS REQUIRED FOR REGISTRATION

Materials required for registration include: (1) a Registration Permit (information cards are mailed with the permit), (2) a Section Request Form, and (3) any Restricted Section Request Forms for courses requiring special approval (see footnotes in class listings).

Registration Permit: Students who have completed the admission process and continuing students who do not have holds (see Permit Holds below) placed on their registration will receive a Registration Permit in the mail. Students not meeting admission requirements in time to receive a registration permit in the mail will receive instructions with the letter of acceptance. Eligible students who have not received a permit by November 16, 1992, for Priority Registration or by January 6, 1993, for Regular Registration may obtain a duplicate copy by presenting valid picture identification in the Registration Center. See the Registration Calendar (page 2) for dates and times.

A Registration Permit is required for any registration processed. Students should bring the most recent permit for the semester of registration. Eligible students who do not participate in Priority Registration will be mailed a permit for Regular Registration.

Permit Holds: Registration permits are not mailed to students who have holds placed on their registration. Permits are not held for financial obligations to the University. Students whose permits are held are mailed a Notice of Hold on Registration Materials card informing them of the reason and the office to contact to clear the hold. See the list below for contact offices. Students are responsible for clearing the holds and bringing the Authorization to Release Registration Materials card from the representative office to the Registration Center to pick up their permits.

Registration Appointment Times: The registration appointment time reflected on the Registration Permit is the earliest time that the individual student may register for Priority or Regular Registration. STUDENTS MAY REGISTER AFTER BUT NOT PRIOR TO THEIR APPOINTMENT. These times are based on student level and the number of cumulative hours earned at the end of the previous semester. Appointment times are not required during Continuous or Late Registration.

Section Request Form: All students are required to have a Section Request Form (bubble form) prior to entering the Registration Center. These forms should be obtained from an academic advisor (see Academic Advising). Students are encouraged to see their academic advisors well in advance of registration. Some colleges/departments have specified advising dates or deadlines.

Graduate Non-Degree students who do not wish to pursue a degree may obtain a Section Request Form from the department offering the coursework or in the Registration Center. Other undergraduate non-degree classifications may pick up a "self-advised" Section Request Form in the Academic Counseling Unit.

Restricted Section Request Form: Students should pick up Restricted Section Request Forms for courses requiring departmental approval. The location for pick-up is indicated by the footnote references in the class listings.

Overload, Audit, & Credit/No Credit Forms: Special permission forms are required for students registering for overloads, audit, and credit/no credit classes. See **Academic Policies and Procedures** for more information.

REGISTRATION PROCESSING

After a student has the required forms as described above, the registration may be processed at or after the assigned appointment time during Priority or Regular Registration OR at any time during Continuous Registration. The student will receive a Class Schedule and Invoice Form when the registration is processed. IT IS THE STUDENTS' RESPONSIBILITY TO VERIFY THEIR CLASS SCHEDULE AND PAY FEES BY THE DEADLINE INDICATED ON THE FORM. Students who fail to pay by the assigned deadline must re-register at or after their assigned Regular Registration appointment time.

4. \$\$\$ Fee Payment \$\$\$

Fees may be paid as soon as the student receives a Class Schedule and Invoice Form. However, all fees MUST BE PAID BY THE DEADLINE INDICATED ON THE STUDENT'S CLASS SCHEDULE AND INVOICE FORM. All deadlines are noted in the Fee Payment Options/Deadline Section and in the Registration/Term Calendars (pages 2-3). REGISTRATION IS NOT COMPLETE UNTIL ALL FEES ARE PAID.

Beginning January 6, 1993, fee payments should be made at the Fee Payment Center, University Center, 3rd Floor. Fees may be paid by cash, check, money order, Visa/MasterCard or through the use of a MSU TIGER FUND\$ account. Students receiving financial aid awards should stop at the Fee Payment Center cashier's station. Students holding billing authorizations should stop at the Fee Adjustment/Billing Authorization station in the Fee Payment Center. Students receiving VA assistance are expected to pay fees in full.

Students will not have their names placed on class rolls until all fees are satisfied. All questions regarding fees, fee payment, and refunds should be directed to the Bursar's Office, Administration Building, Room 176, 678-2243.

FEE PAYMENT OPTIONS/DEADLINES

Memphis State University
P.O. Box 1000, Dept. 313
Memphis, TN 38148-0313

Students who pay registration fees prior to January 6, 1993, must ensure that all outstanding financial obligations to the university have been satisfied by the first day of classes to avoid deletion from class rolls.

2. Students who elect to pay fees DURING THE FEE PAYMENT DEADLINE PERIOD (January 6-8) MUST pay all fees, including all outstanding financial obligations to the University, at the Fee Payment Center, University Center, 3rd Floor, by the indicated deadline on the student's Class Schedule and Invoice Form.

B. Regular Registration (January 11-14)

Students who register during Regular Registration MUST pay all fees at the Fee Payment Center, University Center, 3rd Floor, on the date of registration.

C. Late Registration (January 15, 19-21)

Students who register during Late Registration MUST pay all fees at the Fee Payment Center, University Center, 3rd Floor, on the date of registration. A \$10.00 late registration fee will be assessed at this time.

FAILURE TO MEET PAYMENT DEADLINES

STUDENTS WHO REGISTER AND FAIL TO SATISFY ALL FINANCIAL OBLIGATIONS BY THE APPROPRIATE DEADLINE WILL BE REMOVED FROM ALL CLASSES FOR WHICH THEY ARE SCHEDULED AND WILL BE REQUIRED TO BEGIN REGISTRATION AGAIN.

Returned Checks/Charge Card Drafts

It is expected that a check or draft given to the University for any reason, will be honored by the bank on which it is drawn. A check or draft dishonored by the bank on which it is drawn may be presented a second time at the discretion of the University. A \$15.00 returned check/draft charge will be assessed for all checks/drafts returned.

RETURNED CHECKS/DRAFTS, USED IN PAYMENT OF REGISTRATION FEES, WHICH ARE NOT PROMPTLY REDEEMED, WILL RESULT IN THE DELETION OF THE STUDENT FROM THE CLASS ROLLS.

"No More Checks" Status

The privilege of making payments for fees and charges by personal check and check cashing privileges will be revoked for any student who has had more than one returned check/draft within a twelve month period for a period of one year from the date the last check is redeemed. A student will not be permitted to pay registration fees by check if any previous check in payment of registration fees has been returned.

STUDENTS ON A "NO MORE CHECKS" STATUS SHOULD BE PREPARED TO PAY REGISTRATION FEES WITH CASH, CASHIER'S CHECK, CERTIFIED CHECK, OR BY AUTHORIZED CHARGE CARD DRAFT.

FEES AND DEPOSITS

The listing of any fee or incidental charge in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect for the semester for which he or she registers. Fees are subject to change without notice. Persons with a permanent, total disability (no age limit) and persons 60 years of age and older should refer to the section of this publication covering their fees and registration.

The University will usually collect the amount of fees due at the time of registration and during the adding and dropping of classes in accordance with the residency classification and fee rates in effect. After all enrollments are complete, any over-collections will be refunded, and students will be billed for any under-collections.

Maintenance Fee

All students, whether in-state or out-of-state, pay a maintenance fee. Maintenance fees assessed are based on the course level, and the maximum fees will be the graduate maximum if a student is enrolled for any graduate hours.

Tuition

Students classified as out-of-state are charged additional fees as noted in the summary below. The Office of Admissions is charged with the responsibility of assigning a residency classification to each student using regulations provided by the Tennessee Board of Regents. The student may appeal the decision to the Committee on Residency. Residency regulations of the TBR and information on appeals procedures are available at the Office of Admissions. **RESIDENCY CLASSIFICATION MAY BE CHANGED ONLY BY THE RESIDENCY ADVISOR, OFFICE OF ADMISSIONS.**

The Departmental Request Form obtained from the department should be presented when the student registers for the course. Fees for audit are the same as for credit. Students may not change from a grade point basis to audit or from audit to a grade point basis after the last day to add classes.

CHANGE OF COURSE (ADD/DROP)

Changes in the student's class schedule may be made by adding and/or dropping courses within specified registration periods (see Registration Calendar for dates/times). A student who processes a drop/add beginning the first day of classes will be charged a \$5.00 fee. This fee must be paid the day the transaction is processed or the drop/add will be void. Add/drops will be processed in the Registration Center until the end of late registration. After the end of late registration, add/drops will be processed in the Records Office, Administration Building, Room 119. Permission to add or drop a course after the deadlines (see Semester Calendar) must be obtained from the appropriate college dean for undergraduate students with declared majors, Academic Counseling Unit for undergraduates advised there, and the graduate dean for graduate students. Students who wish to drop ALL courses must WITHDRAW from the University (see withdrawal procedure).

CLASS CANCELLATION & INCLEMENT WEATHER POLICY

In the event that inclement weather requires the cancellation of MSU classes and/or campus activities, local radio and television news media will be immediately notified for dissemination as they deem appropriate. Such closing decisions will also be given to University vice presidents for dissemination through the notification

system in place for each MSU division. Cancellations will not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence. (MSU Procedure 2A:16:01A)

Photo identification and proper release card are required prior to release of grade reports.

THE RECORDS OFFICE WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY TELEPHONE.

PROBATION/SUSPENSION

(ACADEMIC STATUS AND RETENTION)

Students will be notified of their academic status at the end of each semester through their official grade report. Grades are mailed to all students who have no financial holds with the University.

A complete statement of the University's academic status and retention policy may be found in the Bulletin. Specific questions concerning academic probation/suspension should be directed to the Undergraduate Academic Retention Office, Room 167, Administration Building. Students who are eligible to continue at MSU will be given a card authorizing registration officials to release the student's Registration Permit. REPETITION OF COURSES

A student may not attempt the same course more than three times for the purpose of obtaining a passing grade or higher grade. Exceptions to this limitation may be made by the dean of the college from which the student intends to graduate. These exceptions must be approved prior to the student's registration for the fourth and any subsequent attempts of the same course.

The student's quality point average will be computed as follows:

Number of Attempts	Grade(s) Included In Computation
1st	Original grade earned
2nd	Only grade in 2nd attempt
3rd and subsequent	Grade earned in 2nd attempt averaged with grade(s) earned in ALL subsequent attempts

The record will continue to reflect all grades earned in the same course.

STUDENTS WITH DISABILITIES

Early registration authorization cards can be issued by the Office for Students with Disabilities (OSD) to allow eligible students to register at a convenient time during Priority Registration. The purpose of this procedure is to allow students to adequately plan for

disability related needs. Generally, students with impairment of mobility, vision, hearing and specific learning disabilities are eligible for early registration authorization cards if they have a Registration Permit. Personal attendants and academic aids employed to work for students with disabilities may also obtain early registration authorization cards in order to arrange their schedules to accommodate the students for whom they work.

OSD REGISTRATION PROCEDURES

1. See academic advisor for a Section Request Form.
2. Students who need OSD assistance in planning their schedule should request it as soon as possible.
3. To obtain early registration authorization card, present Registration Permit and signed Section Request Form in OSD.
4. Take Registration Permit, Section Request Form, and early registration authorization card to Registration Center.
5. After completing registration, take the Class Schedule and Invoice Form to OSD for Needs Assessment so that necessary academic accommodation and resources can be planned.
6. Students who drop or add courses after the Needs Assessment is completed should take a revised copy of their schedule back to OSD.

After admission to MSU either as a regular undergraduate or a transfer student, students must consult with their advisor and the Transfer Affairs section of the Admissions Office if they anticipate enrolling at another college or university for the purpose of transferring credit to MSU. A Transfer Credit Request form must be completed. In order for completed additional undergraduate course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation be completed by Transfer Affairs, 678-2111. PARKING REGULATIONS MEMPHIS STATE UNIVERSITY

Campus Traffic and Parking Regulations are available in the Public Safety Office, Room 151, Administration Building, the Information Center located at the corner of Patterson and Central, and the Parking Office, 3918 Central Avenue.

Every vehicle parked on campus property must be registered with the Parking Office and have a parking permit properly displayed. Parking meters have been placed in parking lots around the University for the use of visitors. Parking permits are designed to hang from the inside rearview mirror post and may be transferred to a replacement vehicle when the registered vehicle is not available. A temporary parking permit must be purchased from the Parking Office when you forget to transfer the regular parking permit. Parking permit fees range from \$15 - \$100 based on the level of parking desired. The student's fee payment/registration receipt must be presented to receive the parking permit. For additional information, telephone the Parking Office at 678-2212.

Parking lots are either Priority (gate access), Reserved, General, Resident, or Visitor. All University owned streets are reserved for Resident or Visitor parking. A parking sign is erected at the entrance to each lot and University owned street indicating the use of that lot or street.

Priority (gate access) have a limited number of spaces. These spaces are sold for either day or evening use and a parking space is virtually guaranteed. Applications for gate access parking are available in the Parking Office or in the Fee Payment Center during registration.

Vehicles must be parked within parking spaces delineated by white lines.

Improperly parked vehicles may be towed at owner's expense. The issuance of a parking decal does not guarantee a parking space on University property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with University parking regulations.

Visitor parking is provided in spaces where parking meters are installed in various locations around campus. Visitor Parking Permits are available at the Visitor Information Center for a fee of \$1.00 per day. These permits allow parking at metered spaces without additional payment or in the General parking lots. The Visitor Information Center is located at Patterson Street and Central Avenue. Garage parking is available for visitors in the garage location at Deloach and Norriswood streets. Garage parking is \$.50 per hour or a daily rate of \$2.50.

Public Safety officers, parking assistants, faculty members, or staff employees are not empowered to allow anyone to violate the traffic and parking regulations.

Storing articles of value (including radar detectors) in parked automobiles is discouraged. However, if articles must be left in an automobile they should be placed out of sight and/or located in the trunk. Memphis State University does not assume responsibility for loss of personal property.

Motorists may obtain assistance or information from any campus officer on patrol or by calling 678-4357 (MSU-HELP).

NO WILD, NO WILDLIFE.

The California desert tortoise is losing ground.

The fact is that the tortoise population has declined as much as 90% over the last fifty years. This drop is a true biological indicator of how severely the desert ecosystem is at risk.

The Sierra Club works to save our wildlife by saving the wilderness. We have a history of victories. And, we believe, with your help, the three-million-year-old desert tortoise can win back its native turf.

What do Elvis Presley, Carl Perkins, Jerry Lee Lewis, Roy Orbison and B. B. King have in common? They're all music legends, and they all got their start in Memphis, Tennessee, at a little place called Sun Studio. You might even say it was right here at the Sun that Rock 'n Roll was born! Now you, too, can live the Legend that made America turn its head and twist and shout. Tour Sun Studio and "sit in" on those sessions that sold the world on a sound that changed history forever. You can even record your own session, with complete and private use of the studio.

Then, take a step back in time next door at the Sun Studio Cafe, where many of the legendary label's contracts were signed. Eat the Fabulous Food of the Fifties!

Adding salt to your food could subtract years from your life. Because in some people salt contributes to high blood pressure, a condition that increases your risk of heart disease.

Wild Should Wild Remain.

"Man always kills the thing he loves, and so we the pioneers have killed our wilderness. Some say we had to. Be that as it may, I am glad I shall never be young without wild country to be young in."

ALDO LEOPOLD

"We need wilderness preserved—as much of it as is still left, and as many kinds . . . It is important to us . . . simply because it is there—important, that is, simply as an idea."

WALLACE STEGNER

"The love of wilderness is more than a hunger for what is always beyond reach. It is also an expression of loyalty to the earth, (the earth which bore us and sustains us), the only home we shall ever know, the only paradise we ever need—if we had the eyes to see."

EDWARD ABBEY

"The clearest way into the Universe is through a forest wilderness."

It now lasts up to five years longer.

Americans live longer nowadays. Up to five years longer, says one study, than in 1970. One reason is that people know more about reducing their risk of heart disease. And we've helped. This year the AHA will invest more than \$70 million in cardiovascular research and organize 2.7 million volunteers to go out and spread the word. To learn more, write us at:

Directed Study Courses

Directed Study courses are for adults working toward bachelors' degrees and learning for personal enrichment. Students are guided in their studies by a detailed week-by-week syllabus, a study guide, textbooks and written assignments. In most courses, video programs supplement the reading. These are broadcast on Cablevision, Channel 33 or are available for home rental. Tapes of the programs are also available for viewing in the Learning Media Center of the MSU library. Written assignments are evaluated by the course instructor with whom the student may confer by phone or in person. Students may also attend optional discussion sessions led by the instructor.

Flyers outlining course content, television/video segments and required texts for courses offered this term are available in Johnson Hall, room G-1. Students who register for these courses must complete an Information Sheet before classes begin to ensure receipt of course materials.

MISCELLANEOUS INFORMATION

EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester, some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester Memphis State University recommends that students with health concerns or conditions seek private medical advice about the appropriateness for them to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review at the office of the chair of the department in which such chemicals are used. MSDS are also available for review at the office of the Radiation Safety Officer/Technologist. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer/Technologist.

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF G.I. BILL BENEFITS.

Any student using VA Educational Benefits Assistance (G.I. Bill Benefits) at Memphis State University should contact the Office of Veteran's Services (Rm 212, Scates Hall, 678-2996). New students should be prepared to furnish the following items as needed: an original VA certified copy of their DD 214, or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veterans educational benefits. Some of these restrictions include: regular class attendance, satisfactory academic progress, and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders:

- (1) Register with the Office of Veterans Services every semester by completing a Veteran Data Sheet and Certification Request.
- (2) Report credit allowed for prior training in cooperation with your advisor by completing a "Request for Reevaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.
- (3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
- (4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, cancelled courses, and withdrawals.
- (5) Obtain a degree posting sheet/formal degree plan from your adviser, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

HARASSMENT POLICY

Policy

It is against University policy to harass or to discriminate against any member of the University Community on the basis of sex, race, color, national origin, age, or handicap and/or veteran status.

Such actions are prohibited not only by University Policy, but also by Title VII of the Civil Rights Act of 1964 as amended, and Title IX of the Educational Amendments of 1972. Other types of harassment are prohibited by applicable law. Violation of these Acts may subject the University and/or individuals to disciplinary action and may have legal consequences.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the careers, educational experience, and well-being of students, faculty and staff. Incidents involving sexual harassment, racial harassment or discrimination have no place within the University. In both obvious and subtle ways, even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff, and the academic community as a whole.

When, through fear or reprisal, a student, staff member, or faculty member submits or is pressured to submit to unwanted sexual attention, the University's ability to carry out its mission is undermined.

Sexual harassment is especially serious when it threatens relationships between teacher and student or supervisor and subordinate. In such situations, sexual harassment exploits unfairly the power inherent in a faculty member's or supervisor's position. Through grades, wage increases, recommendations for graduate study, promotion, and the like, a teacher or supervisor can have a decisive influence on a student's, staff member's or faculty member's career at the University and beyond.

While sexual harassment most often takes place in situations of a power differential between the persons involved, the University also recognizes that sexual harassment may occur between persons of the same University status. The University will not tolerate behavior between or among members of the University community that creates an unacceptable work or educational environment.

- A. Sexual harassment is defined as unwelcome sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature when one of the following criteria is met:
1. submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course or activity; or
 2. submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual; or
 3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educa-

tional experience or creating an intimidating, hostile, or offensive work or educational environment.

Whether the alleged conduct constitutes sexual harassment depends upon the record as a whole and the totality of the circumstances, such as the nature of sexual advances in the context within which the alleged incident occurred.

- B. Sexual harassment encompasses and sexual attention that is unwanted. Examples of the verbal or physical conduct prohibited include, but are not limited to:
1. Physical assault;
 2. Direct or implied threats that submission to sexual advances will be a condition of employment, work status, promotion, grades, or letters of recommendation;
 3. Direct propositions of a sexual nature;
 4. Subtle and persistent pressure for sexual activity;
 5. A pattern of conduct intended to discomfort or humiliate, or both, that includes one or more of the following: (I) comments of a sexual nature; or (II) sexually explicit statements, questions, jokes, or anecdotes;
 6. A pattern of conduct that would discomfort or humiliate, or both, a reasonable person at whom the conduct was directed that includes one or more of the following: (I) unwanted sexual advances such as touching, patting, hugging, or brushing against a person's body; (II) remarks of a sexual nature about a person's clothing or body; or (III) remarks about sexual activity or speculations about previous sexual experience.
- C. Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an individual's performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based typically on prejudiced stereotypes of a group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race, color, or national origin. Title VII requires employers to take prompt action to prevent individuals from expressing their opinions in a way which abuses or offends their coworkers.
- D. Generally, harassment on the basis of religion, handicap, or other protected status includes any conduct which has the purpose or has the reasonably foreseeable effect of interfering with an individual's academic efforts, employment, or participation in institutionally sponsored activities. Such harassment also includes any activity which creates an intimidating, hostile or demeaning environment.

The University seeks to encourage the prompt reporting of such harassment and its prompt resolution through University procedures. Where the charge of harassment is by one student against another student, the Assistant Dean of Students for Judicial Affairs and the Associate Dean of Student Development will investigate and resolve the complaint in accordance with student disciplinary procedures. Other charges of harassment should be directed to the University Affirmative Action Officer for investigation and recommendations to the President and will follow guidelines set forth in University Procedure 2A:12:04A.

In addition, the University will take steps towards and encourage the development of programs aimed at informing students and employees of their rights to be free from sexual harassment and the procedures available for reporting. Programs will also be developed and aimed at preventing harassment.

Procedure

The purpose of this procedure is to provide a clearly defined means of reporting and investigating the complaints of students, faculty, and employees where they believe they have encountered harassment as defined by the University policy. The final resolution of such complaints and the imposition of any appropriate sanctioning will be governed by existing University procedures.

The President has assigned the University Equal Employment/Affirmative Action Compliance Officer the responsibility of investigating any complaint related to this procedure. The responsibility of investigating complaints against students has been assigned to the Assistant Dean of Judicial Affairs and the Associate Dean of Student Development in accordance with appropriate student disciplinary procedures.

Since harassment based on race, sex, or any other factor has been defined as discriminatory in nature, the following will be implemented for the reporting of harassment.

- A. Complaint by student against student - Procedure: Sexual harassment complaint to Assistant Dean of Students for Judicial Affairs for investigation and possible disciplinary action. Dean of Student Development for investigation and possible disciplinary action.
- B. Complaint by faculty member or staff against student - Procedure: Same as (A).
- C. Complaint by student against faculty member or staff; faculty member against staff; faculty member against faculty member or supervisor; or staff against faculty member, staff, supervisor or outside University contracting agency - Procedure: Complaint to University Affirmative Action Officer for investigation and possible disciplinary action by the President.

Procedures

The following procedures are intended to protect the rights of the aggrieved party as well as the party against whom an allegation of harassment is lodged, as required by state and federal laws. Each charge will be properly investigated and, when warranted, appropriate disciplinary action taken against the individual charged.

In situations that require immediate action, because of safety or other concerns, the institution can take any disciplinary action which is appropriate, e.g., suspension with pay, pending the initiation of the investigation by the EEO/AA officer. The University Affirmative Action Officer and the President should be contacted in situations requiring immediate action. The TBR Office of General Counsel will be contacted before any immediate action is taken and prior to any investigation.

A. Preliminary Investigation

1. Any student, applicant for employment or employee who believes he or she has been subjected to harassment at Memphis State University shall present the charge to the designated EEO/AA officer responsible for compliance with Title VII of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972.
2. The EEO/AA officer will make every attempt to get the aggrieved party to provide the charge in writing. The charge shall include the circumstances giving rise to the allegations and the dates of the alleged occurrences. The charge shall be signed by the aggrieved individual and notarized. However, where the aggrieved individual refuses to sign a written charge, the EEO/AA officer will still investigate the allegations, and recommend to the President appropriate action. Based on findings of this investigation, the EEO/AA officer may recommend to the President appropriate action which may or may not be the steps outlined in the remaining paragraphs of this guideline.
3. The EEO/AA officer shall notify in writing the charged party within five (5) working days of receipt of the charge. The charged party shall respond in writing to the charge within five (5) days of notification.
4. The EEO/AA officer may meet with both parties for the purpose resolving the charge informally.
5. The EEO/AA officer shall conduct an investigation of the charge and submit a report to the President, TBR EEO/AA officer, and the parties within twenty (20) working days following receipt of the charge. Each report shall outline the basis of the charge, including the dates of the alleged occurrences, the response of the charged party, the findings of the EEO/AA officer and all attempts to resolve the charge

informally and recommendations regarding disposition of the charge. If following an investigation the EEO/AA officer finds there is no substantial evidence to support the charge, the parties shall be so advised in writing.

6. If the investigation reveals that there is evidence to support the charge, the President may meet with the charged party and/or the charging party and attempt to resolve the problem by agreement. In addition, the charged party shall be advised of his/her right to a hearing pursuant to the procedures set forth below. A charged party may request a hearing within ten (10) days following receipt of the report.

B. Hearing

1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Regents Policy No. 1:06:00:05, Uniform Procedures for Cases Subject to Tennessee Uniform Administrative Procedures Act, and of the established Memphis State University procedures available for resolution of the matter in question. The party requesting a hearing shall be given the opportunity to elect the procedures pursuant to which the matter shall be heard.
2. When an individual elects to proceed under the established Memphis State University procedures for resolution of the matter, the election should be in writing and signed by the individual making the election and should expressly waive the procedures available under the TUAPA as to the matter in question. When a party elects to proceed pursuant to established procedures at Memphis State University, these procedures shall include the following minimal requirements:
 - a. Notice of the charge to the party or parties.
 - b. The right of the party or parties to present his or her case.
 - c. The right to be accompanied by an advisor.
 - d. The right to call witnesses in his or her behalf.
 - e. The right to confront witnesses against him or her.

In addition, in any case where the President makes a decision which is adverse to the charge or claim of either party, the President shall advise the person of any right of appeal provided by TBR policy.

3. Individuals electing to proceed under the TUAPA shall be referred to the appropriate Memphis State University official responsible for commencement of actions under the TUAPA as provided in Board Policy No. 1:06:00:05.
4. When a charge involves a tenured faculty member, the same informal and formal procedures set out above shall be utilized. Tenured faculty members shall have the same right to elect hearing procedures as set out herein. Where the selected hearing procedure results in a finding that sexual harassment exists and the President determines that the harassment constitutes adequate cause for termination, then the matter will proceed under either Memphis State University policy for termination of tenure or TBR policy 5:02:03:00. Under TBR policy the matter shall proceed under section III. 16 on page 15 of 19.

PRIVACY RIGHTS OF PARENTS & STUDENTS NOTICE TO STUDENTS

The Family Educational Rights and Privacy Act of 1974, with which the University intends to comply fully, is designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Provisions for the release of information about students and the rights of students and others to have access to Memphis State University education records are as follows:

- A. Release of Personally Identifiable Student Education Records. Memphis State University shall not permit access to or release of any information in the Education Records which is specifically

identifiable as referring to any student, other than Directory Information, without the written consent of the student to any party other than the following:

1. MSU officials and staff who have legitimate educational interests, including academic excellence, honor societies, and fraternities and sororities. Written requests from such officials or organizations shall be sent to the Records Office, and proper identification will be required.
2. Officials of other schools in which the student seeks admission, if the student has executed a release form to that institution. (At a later date a request for academic information from another institution of learning indicating the reason will be honored as a matter of inter-institutional courtesy.)
3. Appropriate persons in connection with a student's application for or receipt of financial aid.
4. Federal or State officials as defined in the regulations concerning this law.
5. State and local officials authorized by State statute adopted prior to November 19, 1974.
6. Organizations conducting studies for, or on behalf of, Memphis State University for the purpose of assisting in accomplishing the University's stated goals, and when such information will be used only by such organizations and subsequently destroyed when no longer needed for the intended purpose. The Dean of Admissions and Records or his designate must approve requests of this nature.
7. Accrediting organizations to carry out their functions.
8. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1954. (Note: Husband or wife cannot get records of his/her spouse regardless of dependency.)
9. In compliance with judicial order or subpoena after the University has made a reasonable effort to notify the student.
10. Appropriate persons in connection with an emergency if such knowledge is necessary to protect the health or safety of a student or other persons. Verification of the conditions involved will be fully documented.

Note: All individuals and agencies who have requested or obtained access to a student's record (except as stated in A 1-7) will be noted in a record which is kept with each student's closed file. A request must be in writing stating the purpose of the request. This record will also indicate specifically the legitimate interest that the person or agency had in obtaining the information, and the information made available will be limited to that necessary to satisfy such demonstrable needs.

B. Definitions:

Educational Records. "Educational Records" is defined as those records, files, documents, and other material which (1) contain information directly related to a student; and (2) are maintained by Memphis State University or by a person acting for the University. They do not include: (1) personal notes; (2) records available only to law enforcement personnel; (3) employment records; (4) medical, psychological, and psychiatric records (these are accessible to the student's physician); (5) and records containing only information relating to a person after that person is no longer a student at the University. An example would be a record of accomplishments of an alumnus of the University.

Student. A student is any person who is or has been enrolled at Memphis State University. Wherever "student" is used in reference to personal rights, an eligible parent of a dependent student has similar rights. This "eligible" parent is one who has similar rights. This "eligible" parent is one who has satisfied Section 152 of the Internal Revenue Code of 1954, and who presents proof of such to the custodian. Normally, this will be notarized affirmation by the parent declaring that the student is a dependent for Federal Income Tax purposes.

Directory Information. "Directory Information" is defined as: The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic

teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's full- or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office a written request that directory information for that student may not be released. This notification is effective only for the one semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.

Access. To have access to an "Educational Record" is to be allowed to see the original record. It implies the right to obtain copies of that record.

School Officials. School officials are those University employees with general or specific responsibility for promoting the educational objectives of the University. Employees whose responsibilities place them within this category include: teachers; faculty advisers; admissions counselors; academic advisers; therapeutic counselors and vocational counselors; degree analysts; employment placement personnel; deans, department chairmen, directors, and other administrative officials responsible for some part of the academic enterprise or one of the supporting activities; administrative and faculty sponsors of officially recognized clubs, organizations, etc.; members, including student members, of committees appointed by the President; and clerical personnel employed to assist University officials in discharging professional responsibilities. Access by these officials is restricted where practical only to that portion of the student record necessary for the discharge of assigned duties.

Legitimate Educational Interests. Legitimate educational interest are defined as those interest which are essential to the general process of higher education prescribed by various legislative acts and the body of policy adopted by the governing board. Legitimate educational interests would include teaching, research, public service, and such directly supportive activities as academic advising, general counseling, therapeutic counseling, discipline, vocational counseling and job placement, financial assistance and advisement, medical services, and academic assistance activities.

In addition, the University officially recognizes appropriate co-curricular activities which are generally supportive of overall goals of the institution and contribute generally to the well-being of the entire student body and specifically to many individuals who participate in these activities. These activities include varsity and intramural sports, social fraternities and sororities, honorary and academic fraternities and sororities, departmental clubs, professional fraternities, special interest clubs, and student government.

C. Procedure for Gaining Access to Educational Records.

- To gain access, the student must request the custodian to allow him to peruse the "Educational Record," which request will be granted within a reasonable period of time. The student may ask for an explanation and/or copy of his "Educational Record." Examination will be permitted under conditions which will prevent alteration or mutilation of the record. A student must present proper identification upon request. Documents submitted by or for the student in support of his application for admission or for transfer credit will not be returned to the student nor sent elsewhere.

- If the student believes the "Record" content to be inaccurate, he may submit a request for amendment of his record. Normally such matters will be satisfactorily settled in the course of informal discussion with the student. When this is not the case, the request and the challenge must be presented in writing to the record custodian who will inform the student of his decision within 45 days and of his right to a hearing. The student may then submit a written request for a hearing to the Dean of Admissions and Records who will (1) appoint an Appeals Committee consisting of four "Record" custodians (none of whom is custodian of the "Record" in question), with one of the four designated as chairman, and (2) designate a time and place for

first meeting and inform the student of the same.

- The Appeals Committee will convene with the student within 45 days from the date of the request, allowing the student, or his parents if the student is a dependent, to present relevant evidence. The student may be assisted or represented by counsel of his choice and at his own expense. A written decision based solely upon evidence presented at the hearing will be given the student within 45 days after the conclusion of the hearing, including a summary of the evidence and reasons for the decision and notification of his right to place a statement in the "Educational Record." Thereupon, the student may submit to the Committee a written explanation to be inserted into the "Record."

Note: This procedure does not provide for a hearing to contest an academic grade.

D. Right of Access Does Not Include:

1. Financial records or parents or any information therein.
 2. Confidential letters and statements of recommendation which were placed in the "Educational Records" prior to January 1, 1975.
 3. "Records" to which access has been waived by a student.
- E. No University office receiving student information shall, and all agencies receiving student information will be advised not to, release the information to another party without the written consent of the student.
- F. The University retains all rights to the student's academic record and may withhold transcripts of the record because of unfulfilled obligations to the University.
- G. Eligible students and parents have the right to file a complaint with the Department of Education concerning an alleged failure by the University to comply with the "Privacy Rights of Parents and Students" Act. Students may also file a complaint against the University in the office of the Dean of Admissions and Records. A copy of the Act may be read in the offices of the Associate Dean of Admissions and Records (Records), the Dean of Admissions and Records, or the University Counsel.

These programs may be contracted either directly or through referral by the MSU's Center for Student Development; although, none are operated with the assistance of the University.
- E. Violation of University Policy as stated in Section A above will result in disciplinary action being taken against the responsible student. A violation may result in a sanction ranging from a simple warning and referral for treatment to a full suspension or expulsion from the University and may also result in referral for prosecution by local, state or federal authorities.
